The score does not indicate the margin of victory as fully as does the racket in jump town to-night. Three times at least Trinity was robbed of touchdowns when the Wesleyan line held like a steel frame or when the ball was taken for penalties, Trinity lost fifty yards in penalties and Wesleyan only five.

Kinney tried four goals from placement and three of them missed scoring by only a few feet. The chief reason, aside from the sensational and irresistible individual work of Hudson, as to why Trinity won was that the team had been coached by Professor Gettell how to smear Deetjen, the Wesleyan quarterback, who has been starring all season. Deetjen didn't have what was one of the most open games when Francis and MacKenzle each made a long run. The Trinity ends, especially Elder, went after Deetjen, and frequently
